

# JEED Author Agreement

## Article Title:

This is a publication agreement ("this agreement") regarding the written manuscript currently entitled as above ("the article") submitted for consideration by the *Journal of Ecological Engineering Design* ("the journal"). The parties to this Agreement are: the corresponding author on behalf of any other authors, (collectively "you") and the American Ecological Engineering Society, ("the publisher").

1. By signing this form, you warrant that you are signing on behalf of all authors of the article, and that you have the authority to act as their agent for the purpose of entering into this agreement.
2. Publication of the article is subject to review and final acceptance by the journal. If the article is not accepted for publication, the portions of this agreement pertaining to publication shall be null and void and you shall be free to submit and publish the article elsewhere.
3. If the journal accepts the article for publication:
  - a. You hereby grant a Creative Commons copyright license in the article to the general public, in particular a Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND 4.0), which is incorporated herein by reference and is further specified at <https://creativecommons.org/licenses/by-nc-nd/4.0/legalcode> (human readable summary at <https://creativecommons.org/licenses/by-nc-nd/4.0/>).
  - b. You agree to require that a citation to the original publication of the article in the journal be included in any attribution statement satisfying the attribution requirement of the Creative Commons license of paragraph 3a.
  - c. You retain ownership of all rights under copyright in all versions of the article, and all rights not expressly granted in this agreement.
4. To the extent that any edits made by the publisher to make the article suitable for publication in the journal amount to copyrightable works of authorship, the publisher hereby assigns all right, title, and interest in such edits to you. The publisher agrees to verify with you any such edits that are substantive. You agree that the license of paragraph 3a covers such edits.
5. You further warrant that:
  - a. The article is original, has not been formally published in any other peer-reviewed journal or in a book or edited collection, and is not under consideration for any such publication.
  - b. You (and any authors listed) are the sole author(s) of the article, and that you have a complete and unencumbered right to make the grants you make.
  - c. All author(s) have reviewed the final version of the article and agree(s) to its publication and the order of the authors as listed.
  - d. All author(s) have disclosed any potential conflict of interest in the research in the Conflict of Interest statement in the manuscript and that any funding support from a third party has been noted in the Acknowledgements in the manuscript.
  - e. The article does not libel anyone, invade anyone's copyright or otherwise violate any statutory or common law right of anyone, and that you have made all reasonable efforts to ensure the accuracy of any factual information contained in the article. You agree to indemnify the publisher against any claim or action alleging facts which, if true, constitute a breach of any of the foregoing warranties or other provisions of this agreement, as well as against any related damages, losses, liabilities, and expenses incurred by the publisher.
6. This is the entire agreement between you and the publisher, and it may be modified only in writing. It will be governed by the laws of the State of Vermont. It will bind and benefit our respective assigns and successors in interest, including your heirs. It will terminate if the publisher does not publish, in any medium, the article within one year of the date of your signature.
