

| QUESTIONS ABOUT VIDEO SURVEY DISCOMFORT |

LIVE VIDEO

For the next few questions, imagine that you are **already participating** in a scientific survey that asks about your behaviors and opinions and where your answers would help inform important public policies.

Imagine you are asked the question by a live interviewer over a video app like Zoom, FaceTime or Skype.

How uncomfortable would you feel answering the question?

1 - Very uncomfortable

2

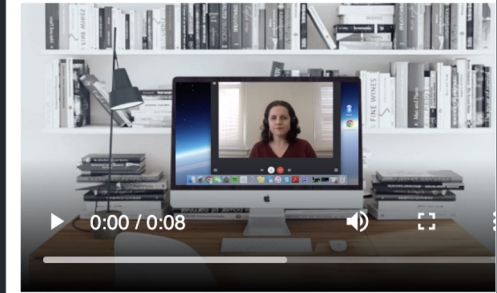

3

4

5 - Completely comfortable

12:29

4

5 - Completely comfortable

IN-PERSON INTERVIEW

Imagine you are asked this question in-person -- in the same room as an interviewer.

PHONE INTERVIEW

Imagine you are asked this question in a phone interview (so you and the interviewer can hear each other but can't see each other).

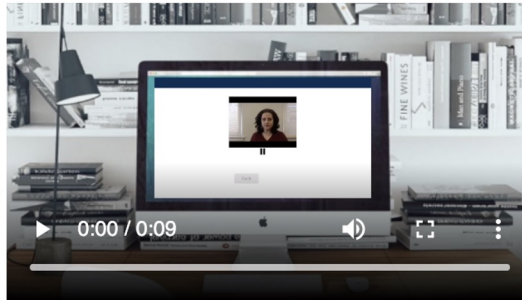

PRERECORDED VIDEO

How uncomfortable would you feel answering the question?

How uncomfortable would you feel answering the question?

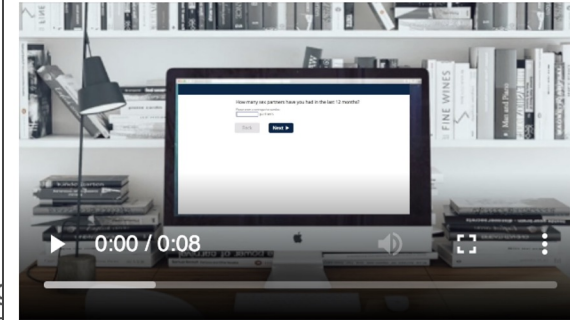

Imagine you play a video of an interviewer asking the question (and replay it if you want to), and then you enter your answer yourself.

How uncomfortable would you feel answering the question?

WEB SURVEY

Imagine that you read the question on the screen and you enter your answer.
